

Didcot Railway Centre

Finance Manager

Part-time (3 days, or 21 hours, over 5 days)

July 2020

An exciting opportunity has arisen to join Didcot Railway Centre, the Living Museum of the Great Western Railway, in this key new role within the organisation's senior management team.

The Finance Manager will be instrumental in supporting the growth and development necessary to ensure Didcot Railway Centre engages and inspires wider and more diverse audiences than ever before. Through effective management of all aspects of finance, including budgeting and forecasting across the organisation, the Finance Manager will work closely with the Chief Executive and budget holders in all departments to support the organisation in effectively achieving its aims.

The new post holder will join a small dedicated and focused staff team, and the large highly experienced and committed community of volunteers, who are all passionate about ensuring many more individuals, of all ages and from all backgrounds, can access and enjoy the heritage and history of the Great Western Railway.

We are looking for professionals with finance qualifications, ideally ACA or ACCA, and experience within a similar role. An interest in history, heritage, and the story of the Great Western Railway is desirable.

Please visit bit.ly/DRC-FM or the full job description and more information on applying.

Closing date – Monday 10 August 2020.
